PREPROFESSIONAL PROGRAMS

UNCG’s eight Preprofessional Programs offer all courses required for admission to medical or dental schools, to pharmacy, veterinary, occupational or physical therapy schools, or as needed for entrance into law school. A two-year pre-engineering curriculum prepares students to transfer to schools with engineering programs.

The Preprofessional Programs are not majors in which degrees can be earned, but programs of study chosen as interest tracks at UNCG. Students following one of these programs must select an academic area of study as their first major. Students interested in pursuing one of the Preprofessional curricula are urged to seek advising early in their academic careers.

• Pre Dentistry, Pre Medicine, Pre Physician Assistant, and Pre Veterinary Medicine
• Pre Engineering
• Prelaw
• Pre Occupational Therapy
• Pre Pharmacy
• Pre Physical Therapy
