

COMMENCEMENT CEREMONY

Master's students completing all degree requirements by the end of the spring semester are encouraged to participate in the May Commencement ceremony. Students completing all degree requirements by the end of the fall semester are encouraged to participate in the December Commencement ceremony. Students completing all degree requirements by the end of the Summer Session may participate in either the following December or May Commencement ceremony by applying before required due dates (see Graduate School calendar) to graduate, paying the graduation fee, and notifying the Graduate School. Degree candidates will not earn degrees nor be graduated from the University until they have completed all degree requirements. Participation in a commencement ceremony does not presume graduation from the University.
