

REGISTRATION WHILE ON ASSISTANTSHIP OR FELLOWSHIP

Each student holding a service (assistantship) or non-service (fellowship) appointment must be registered full-time to hold that position during the fall and spring semesters. Faculty members who wish to request an exception to this requirement may do so by filling out the Reduced Course Load Request Form (<https://grs.uncg.edu/faculty/>). International students must also contact the Global Engagement Office if they request a reduced course load. (See Section II: Financial and Employment Information and Regulations for more information.)
