

# VISA REQUIREMENT FOR INTERNATIONAL STUDENTS

---

Failure to maintain continuous and accurately reported full-time registration can have severe consequences, including, but not limited to, loss of visa status and deportation. Each term, the academic department must supply a letter to the Global Engagement Office verifying that the student remains in good standing and is making satisfactory progress toward completion of the degree. Official information on maintaining visa status is located here (<https://global.uncg.edu/international-students/visa-information/>) in the Global Engagement Office.

Please note: Certain restriction may apply on distance and online course enrollments. International students should consult with their graduate program with questions about maintaining full-time enrollment.
