

UNDERGRADUATE ADMISSIONS

UNC Greensboro seeks prospective students with ability, character, motivation, and the intellectual potential to meet UNC Greensboro standards of performance. UNC Greensboro's admission decision is based on an evaluation of the applicant's secondary school record and/or college record, including the overall grade point average, an optional essay for freshman applicants, and SAT or ACT scores. These factors are used to determine the applicant's probability of success at UNC Greensboro.

This policy applies to the admission of freshmen and transfer students. The University of North Carolina at Greensboro is committed to equality of educational opportunity and does not discriminate against applicants, students, or employees based on race, color, national origin, religion, sex, age, or disability. This commitment is in keeping with Title IX of the Educational Amendments of 1972 and Section 504, Rehabilitation Act of 1973, the ADA of 1990, and other applicable federal and state laws. The Affirmative Action Officer [UNC Greensboro, PO Box 26170, Greensboro, NC 27402-6170; (336-334-5009)] is responsible for coordinating compliance and investigating complaints.

For traditional freshman and transfer applicants, interviews are not used as criteria for admission. Individual appointments for information purposes may be arranged by contacting the Office of Undergraduate Admissions, 336-334-5243, in advance of the date a campus visit is planned.

Adult students who do not meet regular admission requirements may be considered for admission through the Office of Undergraduate Admissions.

Over-enrollment or state budgetary constraints may require the restriction of admission during a given year or the adjustment of minimum requirements or application deadlines. Visit the website at <http://admissions.uncg.edu> or call the Undergraduate Admissions Office, Armfield-Preyer Admissions & Visitor Center, 336-334-5243, for complete admissions information.

Admission Decision

After all required information is received by the Office of Undergraduate Admissions, applicants are notified by letter of their acceptance, rejection, or other action taken on their applications. International applicants are notified of decisions by the International Programs Center.

Confirmation of late acceptance must be made by the registration deadline. Before enrolling, students must complete all steps to enrollment (found in the UNC Greensboro Enrollment Checklist in the SpartanLink portal).

Auditors

Auditing a course is the privilege of being present in the classroom when space is available. No credit is involved, no examinations are required, and no grades are reported. Attendance, preparation, and participation in classroom discussion and activities are at the discretion of the department and the instructor. Online courses cannot be audited. Registration for audited courses begins the first day of classes for a given semester and ends on the last day of late registration.

See the Auditing Courses topic in the Academic Regulations and Policy section.

Visiting Auditors (Persons Not Requiring a Record of Enrollment)

A person not currently enrolled at UNC Greensboro who desires to audit a course and who does not require a record of enrollment should secure a Visiting Auditor form from the Office of Undergraduate Admissions. This can be found on our website at <https://admissions.uncg.edu/apply/visiting/>.

Transfer Credit

Transfer Articulation Services

Located in the Registrar’s Office, this unit enters transfer credit course work into the student’s official record. Also, in association with university faculty, this unit is responsible for determining how postsecondary-level courses and credits transfer to UNC Greensboro, applying admission-level transfer credit regulations, and enforcing the provisions of the North Carolina Comprehensive Articulation Agreement. Students with questions

about transfer credit are encouraged to contact Transfer Articulation Services at transfercredit@uncg.edu.

Transfer equivalencies for courses that have been accepted for credit from other institutions, in-state and out-of-state, can be found on UNC Greensboro's Transfer Evaluation System available on the Undergraduate Admissions website at <https://admissions.uncg.edu/credit-opportunities>.

The Transfer Articulation staff encourages all students who have accepted admission to the university to check the status of their transfer credit by reviewing their degree audit report regularly. Beyond admission to UNC Greensboro, Transfer Articulation staff will also evaluate and approve certain courses from other institutions to transfer to UNC Greensboro for currently enrolled students. Students who are considering enrolling at another institution during the summer or for a distance learning opportunity are encouraged to contact the staff to seek a preliminary evaluation.

Transfer Credit Policies and Limits

Institutional Accreditation

UNC Greensboro is accredited by the Southern Association of Colleges and Schools Commission on Colleges. The primary service area for the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) includes Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas, and Virginia. SACSCOC does accept applications from international institutions that can meet its accreditation standards. The accreditation standards of this Commission require member institutions to analyze credit accepted for transfer in terms of level, content, quality, comparability, and degree program relevance; therefore, course credit for undergraduate degree-seeking students that originates from other SACSCOC member institutions can be readily evaluated by Transfer Articulation Services.

These requirements are consistent with the Accrediting Commission for Community and Junior Colleges (ACCJC) Western Association of Schools and Colleges, Higher Learning Commission (HLC), Middle States Commission on Higher Education (MSCHE), New England Commission of Higher Education (NECHE), Northwest Commission on Colleges and Universities (NWCCU), Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), and WASC Senior College and University Commission (WSCUC). UNC Greensboro recognizes the accreditation standards of these agencies; course credit originating from any institution accredited by these agencies for undergraduate degree-seeking students can be readily evaluated by Transfer Articulation Services.

Other Accredited Institutions

Applicants from post-secondary institutions that are not accredited by the above agencies must meet the requirements in effect for admission to the freshman class, including satisfactory secondary school records and SAT scores, as well as meet the transfer requirements of a 2.0 GPA on a 4.0 scale.

Validating Examinations

Some departments at UNC Greensboro require an examination to validate transfer credit. These examinations are administered by the department or school involved.

Professional School Admissions

Admission to the university does not constitute selection into any of the professional schools.

Minimum Transferable Grade

Transfer credit to be awarded is determined by the quality and quantity of the student's previous college work. Course work completed with a grade of C-, D+, D, or D- will not transfer. Transfer courses are evaluated on a course-by-course basis.

Transfer Credit Limit

The sum total of transfer credit from two-year college(s), that may be applied toward an undergraduate degree may not exceed 64 semester hours.

Repeated Courses

The university's Repeated Course Policy applies to transfer credit. In the case of duplicate transfer credit, only the first instance in which credit can be awarded will remain on the UNC Greensboro academic record.

Programs and Articulation Agreements

Comprehensive Articulation Agreement

The North Carolina General Assembly, the Board of Governors of the University of North Carolina, and the State Board of Community Colleges are committed to the simplification of transfer of credits for students and thus facilitating their educational progress as they pursue associate or baccalaureate degrees within and among public post-secondary institutions in North Carolina. The Comprehensive Articulation Agreement (CAA) is a statewide agreement governing the transfer of credits between NC community colleges and public universities in North Carolina, and has as its objective the smooth transfer of students, providing certain assurances to the transferring student by identifying community college courses that are appropriate for transfer as electives, and specifying courses that will satisfy pre-major and general education requirements.

The CAA establishes the procedures governing the transfer of credits for students who transfer from a North Carolina Community College to a constituent institution of the University of North Carolina. To be eligible for the transfer of credits under the CAA, the student must graduate from the community college with an Associate in Arts (AA) or Associate in Science (AS) degree and have an overall Grade Point Average (GPA) of at least 2.0 on a 4.0 scale and a grade of "C" or better in all CAA courses. Students who do not complete the degree are eligible to transfer credits on a course-by-course basis. Students officially enrolled in an AA or AS program at a North Carolina community college prior to Fall Semester 2014 are subject to the conditions and protections contained in the CAA in place at the time of their initial enrollment as long as they have remained continuously enrolled.

Community college graduates of the Associate in Arts or Associate in Science degree programs who have earned 60 semester hours in approved transfer courses with a grade of "C" or better will receive at least 60 semester hours of academic credit upon admission to UNC Greensboro. A student who completes the Associate in Arts or Associate in Science degree prior to transfer to UNC Greensboro will have fulfilled the university's lower-division general education requirements, but not intermediate-level general education requirements like the College of Arts and Sciences' foreign language requirement. Also, due to degree requirements in some majors, additional lower-division courses at UNC Greensboro may be required beyond the general education courses and pre-major courses taken at the community college.

Reverse Transfer Program

This program awards an associate degree to students who previously attended a NC community college and earned at least 16 community college course credits. Student will earn their associate degree while completing courses for a baccalaureate degree at the four year

institution. There is no cost to participate in the Reverse Transfer program. Students should contact their community college for fees related to printed diplomas and participating in graduation ceremonies.

Students who transfer to a North Carolina university from one of the 58 North Carolina community colleges are given the opportunity to combine the credits earned at the university with credit already earned at the community college to determine if the associate degree requirements have been met.

Students with fewer than 16 credits may receive notification about the program after logging into UNCGenie. UNC-GA and community colleges will determine student eligibility for the program. Students are responsible for opting in and the community college evaluates transcripts and awards associates degrees. The awarding of the associates degree will vary according to how many credits the student has earned.

Please see the official Frequently Asked Questions (FAQs) for eligibility and answers to all questions: www.northcarolina.edu/reversetransfer.

Students who participate in North Carolina's Reverse Transfer Program and earn an Associate of Arts or Associate of Science will satisfy the university's lower-level General Education Core (GEC) requirements per the Comprehensive Articulation Agreement. Requirements that are not met within this program are:

- intermediate-level General Education Core courses
- Writing/Speaking Intensive within the major

UNC Greensboro academic advisors can guide your completion of university degree requirements, not the degree requirements for other colleges. Participating students assume responsibility to understand and meet final associate degree requirements.

2Plus Programs

The 2Plus program is for those North Carolina community college graduates who hold a specific Associate in Applied Science (A.A.S.) or Associate Degree in Nursing (A.D.N.) degree and desire to transfer into UNC Greensboro with advanced standing, pursuing a specific UNC Greensboro major. Articulation notices are sent to North Carolina community colleges listing the 2Plus admission requirements. Specific details of each notice may be obtained from the UNC Greensboro Office of Undergraduate Admissions.

2Plus Articulation students are transfer students with several unique requirements and procedures. Details governing their enrollment are provided for in the articulation notices. The decision for admission is based on successful completion of the A.A.S./A.D.N. Degree and other specific factors outlined in the 2Plus articulation notice. Students admitted under the 2Plus agreement must notify Office of Undergraduate Admissions to change their major. A change in major may result in a change in the student's transfer credit evaluation.

No combination of 2Plus and community college transfer credit may exceed 64 semester hours.

More details about 2Plus admission requirements are available at the 2Plus website: <https://admissions.uncg.edu/apply/transfer/2plus-programs>.

Transfer Students

A transfer student is defined as an undergraduate who has attended another postsecondary institution after graduating from high school. Well-qualified students with 24 transferable semester hours or more of college credit from an accredited institution are encouraged to transfer to UNC Greensboro to continue their studies.

Requirements and Procedures

For consideration as a transfer, students must have at least a minimum 2.0 GPA on a 4.0 scale on all previous work attempted and on all transferable course work from a college or university accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC) Western Association of Schools and Colleges, Higher Learning Commission (HLC), Middle States Commission on Higher Education (MSCHE), New England Commission of Higher Education (NECHE), Northwest Commission on Colleges and Universities (NWCCU), Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), and WASC Senior College and University Commission (WSCUC). Grade point averages are recalculated by UNC Greensboro to determine admissibility. Transfer students must be in good standing and eligible to return to their last attended undergraduate, graduate, or professional institution.

For transfer students, the priority deadline for submitting the application is March 1 for fall and October 1 for the spring semester. Final deadlines for transfer applicants are July 15 for fall and December 1 for spring (space permitting).

Transfer students are required to submit the following, by the above deadlines:

1. UNC Greensboro application forms showing true and complete information.
2. Transfer students who are under the age of 21 or have less than 24 transferable credits must present 15 acceptable units of credit from an accredited secondary school as well as an ACT or SAT score sent directly from the testing agency. (See specific course units listed in information about freshmen.)
3. Official transcripts from each postsecondary institution previously attended (including summer school and extension).
4. A list of courses in progress including course number, course name, and semester/quarter hours of credit.

5. An application fee, currently \$65, not refundable and not applicable toward tuition and other costs.

After receipt of the above credentials, the UNC Greensboro undergraduate admissions staff reviews the application to determine admissibility. The Office of Undergraduate Admissions reserves the right to request additional information regarding an applicant's activities and responses to questions required by the UNC system. If additional information cannot be collected prior to the above deadlines, the application may be denied and the student will need to reapply for future terms. **For this reason, we encourage applicants to submit all required materials well in advance of the posted deadline.**

Veterans

Students with three years of military service qualify for admission and may apply as freshmen without having to meet minimum high school requirements.

Veterans Affairs benefit enrollment certification is handled by the Military-Affiliated Services office (<http://military.uncg.edu>), 336-334-5632, email military@uncg.edu.

UNC Greensboro is on the list of approved institutions that can provide training under the Department of Veterans Affairs Educational Training Program. A veteran wishing to receive educational benefits should apply first to the Department of Veterans Affairs for a Certificate of Eligibility. The student then applies for admission to UNC Greensboro through normal admissions procedures. The issuing of a Certificate of Eligibility by the VA does not automatically assure a student of admission to UNC Greensboro.

When enrolling at UNC Greensboro, the veteran should present a Certificate of Eligibility to the Military-Affiliated Services office requesting that certification of enrollment be sent to the VA. This Certification of Enrollment is necessary before educational benefits can be received. Certification of Enrollment must be requested for each academic semester and for Summer Session.

Visiting Students

College Level

College-level visitors may apply through the Office of Undergraduate Admissions.

NOTE: Former UNC Greensboro students are not permitted to take classes as visiting students.

In addition, visiting high school applicants must:

- Submit the UNC Greensboro application and the application fee.
- Have a letter of permission from parent(s) and from the high school principal sent directly to the UNC Greensboro Office of Undergraduate Admissions. The letter must include permission to take a specific UNC Greensboro course.
