UNC Greensboro seeks prospective students with ability, motivation, and the intellectual potential to meet UNC Greensboro standards of performance. UNC Greensboro's admission decision is based on an evaluation of the applicant’s secondary school record and/or college record as shown in the subsections of the Undergraduate Admissions portion of the Undergraduate Catalog.

The University of North Carolina at Greensboro is committed to equality of educational opportunity and does not discriminate against applicants, students, or employees based on race, color, national origin, religion, sex, age, or disability. This commitment is in keeping with Title IX of the Educational Amendments of 1972 and Section 504, Rehabilitation Act of 1973, the ADA of 1990, and other applicable federal and state laws. The Affirmative Action Officer is responsible for coordinating compliance and investigating complaints.

Auditors

Auditing a course is the privilege of being present in the classroom when space is available. No credit is involved, no examinations are required, and no grades are reported. Attendance, preparation, and participation in classroom discussion and activities are at the discretion of the department and the instructor. Online courses cannot be audited. Registration for audited courses begins the first day of classes for a given semester and ends on the last day of late registration.

Visiting Auditors (Persons Not Requiring a Record of Enrollment)

A person not currently enrolled at UNC Greensboro who desires to audit a course and who does not require a record of enrollment should secure a Visiting Auditor form from the Office of Undergraduate Admissions. This can be found on our website at https://admissions.uncg.edu/apply/visiting/.

A Visiting Auditor may audit courses for a fee of $125. If the Visiting Auditor is aged 65 years or older and is a resident of or lives in North Carolina, there is no fee for auditing a course.

Auditors must secure permission from the course instructor before submitting their completed form to the University Registrar’s Office. Only courses approved by academic departments are open to auditors. Visiting auditors are permitted in lecture courses when space is available with the written approval of the department head or the instructor teaching the course. Persons may register as visiting auditors beginning the first day of classes for any given semester.

Criminal Background Checks

Pursuant to University of North Carolina system policy 700.5.1[R], UNC Greensboro will perform background checks on either (a) all applicants offered admission, or (b) all applicants offered admission who indicate their intent to attend, before the applicant may matriculate, as follows:

- The UNC Suspension and Expulsion Data Base
- The National Student Clearinghouse

UNC Greensboro (UNCG) will perform criminal background checks on applicants being considered for admission or already admitted if the application and supporting materials contain one or more of the following security triggers:

1. the application or supporting material contains inconsistent answers that have not been satisfactorily explained;
2. the applicant answers one or more of the criminal background/discipline questions affirmatively or submits subsequent information indicating (1) pending criminal charges, (2) acceptance of responsibility for a crime, (3) criminal convictions or (4) school disciplinary action, unless the affirmative answer or supporting material relates to a school disciplinary action that resulted from an offense that is remote in time or was insubstantial;
3. the application omits one or more answers without an acceptable explanation;
4. any other reason sufficient to UNCG.

Students who give a positive response to one of the security triggers are required to submit a background investigation report by an approved third party vendor and a written letter of explanation describing the circumstances related to the positive responses. Admissions reviews this information, and in some cases, the file will move to an internal university review committee or the Office of Equal Employment Opportunity/Title IX (EEO) for further review. If a decision to deny admission is rendered, a student has the right to appeal.

Domestic Applicants with International Credentials

U.S. citizens, lawful permanent residents (LPR), pending LPR (with approval notice), DACA, temporary protected status (TPS), political asylees, refugees, undocumented individuals, are considered domestic applicants and should apply through the Office of Undergraduate Admissions (https://admissions.uncg.edu/).

Domestic applicants whose transcripts are from a non-U.S. institution must have a course-by-course evaluation conducted on all international secondary education (freshmen only) and/or any international college/university attended. Visit www.naces.org (http://www.naces.org) for the list of evaluation companies UNCG accepts or refer to a list of preferred providers at: https://intladmissions.uncg.edu/international-credentials (https://intladmissions.uncg.edu/international-credentials/).

The purpose of the credential evaluation report is to verify academic credentials and ensure course credit and U.S. grade equivalency are completed accurately. This also eliminates the need to obtain official, translated transcripts to be sent to UNCG.

Applicants who have studied in the U.S. must request official transcripts be sent from each institution directly to the Office of Undergraduate Admissions.

In some instances, course descriptions and/or syllabi may be needed in order to determine course transferability from U.S. and non-U.S. institutions to UNC Greensboro. Course descriptions and/or syllabi must be in English and issued by the sending institution(s) to the Transfer Articulation Division of the University Registrar’s Office.

English Language Proficiency

Applicants whose first language is not English are required to provide one of the following English language proficiency scores:
Freshmen

For the purposes of admission, a freshman is defined as a first-time undergraduate who is a degree-seeking student with no prior post-secondary experience (after graduating high school). Summer is not considered a degree-seeking term. All students should hold a high school diploma or its equivalent.

Minimum Course Requirements

Minimum Course Requirements. The following courses must be completed at the high school level or the summer following graduation, although courses may be completed at an earlier time (e.g., middle school).

English: four course units emphasizing grammar, composition, and literature

Mathematics: four course units in any of the following combinations:

- Algebra I, algebra II, geometry, and one unit beyond algebra II; or
- Algebra I, algebra II, and two units beyond algebra II; or
- Common core math I, II, and III, and one unit beyond common core math III; or
- Integrated math I, II, III, and one unit beyond integrated math III; or
- NC Math 1, 2, 3, and one unit beyond NC Math 3 identified as meeting the 4th level mathematics requirement for admission to UNC System institutions.

Science: three course units, including:

- Life or biological science (e.g., biology); and
- Physical science (e.g., chemistry, physical science, physics); and
- One laboratory course.

Second Language: two course units of a language other than English

Social Studies: two course units, including one unit in U.S. history*

*An applicant who does not have the unit in U.S. history may be admitted on the condition that at least three semester hours in that subject be passed by the end of the sophomore (second) year at UNCG.

Minimum Admissions Requirements

Prospective freshmen candidates for admission must meet UNC system minimum requirements, as follows:

1. A composite ACT score of 19 or combined SAT (mathematics and evidence-based reading and writing) of 1010 and/or
2. A minimum weighted high school GPA of 2.5

Additional requirements beyond acceptance into UNC Greensboro may be required for particular baccalaureate program majors.

Chancellor Exceptions

Admissions criteria are uniformly applied, with a limited number of exceptions allowed by UNC System Policy. Specifically, a limited number (no more than 1% of the admitted class) of exceptions to the UNC first-year admissions requirements are made through a policy known as Chancellor Exceptions. The maximum number of chancellor’s exceptions is limited to one percent of the total number of applicants accepted as first-time undergraduates each year. A chancellor’s exception may be
Special Considerations for Students Missing Minimum Course Requirements (MCRs)

Per UNC System Policy, each campus shall establish policies describing the admission of students requiring special consideration with regard to MCRs. Such students would not otherwise be eligible for admission at the institution, and further evaluation of their records is necessary. Any student admitted under special consideration must show demonstrable promise for academic success at the institution.

Institutions may waive some minimum course requirements for applicants who have superior academic records in high school, as measured by grades, rank in class, test scores, or the rigor of courses taken, or who demonstrate special talents. These applicants must have completed the eleventh grade and met virtually all of the minimum course requirements as well as the requirements for high school graduation.

Special Considerations for MCRs are reviewed by the Admissions Appeal Committee, which is a faculty-driven body designed to review, consider, and make recommendations on university admissions appeals for undergraduate students who are denied initial admission to the university. This committee consists of six or more faculty and reviews student cases to complete recommendations on admission.

High School Visiting Students

UNCG will accept for enrollment in certain university courses high school juniors and seniors and who have the formal endorsement of and permission from a high school counselor and parent/guardian. Enrollment is limited to one course per semester. The cost per course for which university credit is given is the same as for other students taking fewer than nine hours. Credit earned before completion of high school may be applicable to a degree program at UNCG when the student has met all requirements for high school graduation and satisfied the requirements for admission as a freshman. Individuals wishing to enroll in university courses as indicated should proceed according to the policies of the high schools, and the high schools should contact the UNCG Office of Admissions for further information.

Graduates of Cooperative Innovative High Schools (Early College)

Students graduating from a North Carolina Cooperative Innovative High School (CIHS) with an associate's degree will have the option of being evaluated for admission as a freshman or as a transfer student. The student will remain identified as a freshman by student type for purposes such as housing.

UNCG will provide written information to the student regarding the different admission requirements that accompany each option and any other relevant information that may be helpful to the student when considering which option to select. The choice of freshman or transfer admissions consideration is only pursuant to admissions requirements.

Graduates of North Carolina School of Science and Mathematics (NCSSM)

UNCG will offer freshman admission to any applicant attending the residential program at NCSSM. Such offer of admission shall be contingent upon the applicant:

1. Successfully completing all NCSSM graduation requirements and remaining enrolled and in good standing at NCSSM through the time of the student's graduation. For the purposes of this policy, “in good standing” shall mean with no pending disciplinary charges or pending academic violations that could lead to dismissal as of the date of graduation.

2. Meeting Minimum Course Requirements and Minimum Admissions Requirements per UNC system policy

3. Completing all application requirements established by UNCG by standard deadlines

4. Satisfying the provisions of Criminal Background Check policy

Academic Proficiency and Placement

Based on academic records or placement tests, incoming first-year students are assessed to determine their proficiency in the written use of English and their mathematical competency level. The objective is to place a student into courses that are commensurate with the student's level of competency; students then register for the course level in which they are placed.

All new students can determine language placement or language course exemption by the following means: Language Placement Test, the CLEP Test, or Certification of Proficiency.

Immunization Clearance

Students who have been admitted to UNC Greensboro are required by North Carolina State law to submit appropriate verification of immunizations.

Failure to comply with this requirement within thirty calendar days from the first day of registration may result in the student being administratively withdrawn from the university.

Students subjected to an administrative withdrawal for failure to comply with medical clearance requirements are entitled to a refund, subject to the guidelines of the Refund Policy.

Inter-Institutional Registration

Students taking courses through an inter-institutional agreement must meet the standards for participation in the program as set by their home institution and must follow the rules and policies of both campuses.

Greater Greensboro Consortium and/or North Carolina Inter-Institutional Agreement

A student attending a college or university through the Greater Greensboro Consortium (Bennett College, Elon University, Greensboro College, Guilford College, High Point University, Guilford Technical Community College, and North Carolina Agricultural and Technical State University) or through the North Carolina Inter-Institutional Agreement (with Duke University, North Carolina Central University, North Carolina State University, the University of North Carolina at Chapel Hill, and the University of North Carolina at Charlotte) is not classified as a visiting student at UNC Greensboro and does not go through the admissions process for the fall or spring semesters.

Students wishing to register for courses at UNC Greensboro through the Greater Greensboro Consortium or the North Carolina Inter-Institutional Agreement should contact the registrar of their home institutions. For Summer Session, the Greater Greensboro Consortium is in effect only with North Carolina Agricultural and Technical State University.
For consideration of admission, students must provide:

- Processing time and visa preparation through a U.S. Consulate office.
- Applications well before the application deadlines for sufficient consideration.

International applicants are strongly encouraged to complete their application under the guidance of the Greater Greensboro Consortium, UNC Greensboro offers students opportunities for leadership training and a commission in the Army or Air Force through cross-registration.

The university will grant credit for ROTC courses taken at N.C. A&T. UNC Greensboro students will be awarded elective credit and quality points for ROTC courses completed at A&T through the Consortium.

**International Student Admissions**

**International Admissions**

The International Recruitment & Admissions Office (IRAO) welcomes motivated, qualified applicants from around the world. The university fosters a friendly, welcoming, and inclusive atmosphere and appreciates the intellectual talents and cultural diversity international students add to the campus.

**Definition of International Applicants**

International applicants are defined as those who currently hold, or are seeking a valid, F1 or other non-immigrant visa type authorized under the USCIS to engage in full-time or part-time academic studies.

U.S. citizens, lawful permanent residents (LPR), pending LPR (w/approval notice), DACA, temporary protected status (TPS), political asylees, refugees, or undocumented individuals, should apply as a domestic applicant under the Office of Undergraduate Admissions (https://admissions.uncg.edu/).

**Application Procedure**

All students may apply through one of the accepted UNCG application options.

International applicants are strongly encouraged to complete applications well before the application deadlines for allow for sufficient processing time and visa preparation through a U.S. Consulate office.

For consideration of admission, students must provide:

1. A completed application with all relevant documentation
2. The nonrefundable application fee
3. Demonstrated English language for academic purposes
4. Official secondary school transcripts, in English (for those with < 24 credit hours of college/university coursework)
5. Official transcripts from each college/university attended or a NACES® course-by-course evaluation report
6. SAT or ACT: Required if graduating from a U.S. high school; Optional if graduating from a non-U.S. high school or academy.

7. Freshmen: International students graduating from a U.S. high school are also required to meet Minimum Course Requirements as defined by the UNC system: https://admissions.uncg.edu/apply/freshmen/hs-course-requirements.

Some majors and programs may have additional admission requirements due to the competitiveness of the program and/or seat capacity so please take this into consideration when you apply to a particular program.

Test results should be sent directly from CollegeBoard or ACT.

UNCG Test Codes: TOEFL, SAT: 5913, ACT: 3166

**University Credit for International Examinations**

UNC Greensboro accepts official English Language Proficiency (ELP) scores for direct entry:

- Duolingo DET 105
- IBT TOEFL 79
- IELTS 6.5

For a list of other comparable score reports and ELP waiver requirements, visit the IRAO webpage at: https://intladmissions.uncg.edu.

**Conditional or Provisional Admission**

For students who are otherwise qualified for admission to UNCG, conditional admission is offered through INTERLINK® Language Institutes on the university's campus. While studying at INTERLINK®, students have access to university facilities such as the wellness center, library, bookstore, housing and residential life, meal plans, and dining centers. With successful passing of Level 6, students are then re-issued a direct entry offer of admission to UNC Greensboro. On a case-by-case basis, students may also take limited UNCG coursework concurrently with their intensive English courses. For complete program details, sessions, and cost, refer to: https://interlink.edu/uncg/.

UNCG may also offer provisional admission to students through other English as a Second Language (ESL) centers or U.S. community college partners.

**Students with Non-U.S. Transcripts**

Students with non-U.S. transcripts for their current or prior college/university are required to submit a course-by-course evaluation report with the application. Freshmen with current or prior secondary education transcripts are also required to submit a course-by-course evaluation report, but for the following exceptions.

You do not need the report if you have any of the following: IB Diploma or IB Track, Standard XII Certificate or equivalent (India only), School Leaving Certificate & Mark Sheets for all exams (Nepal only), a GCSE/
IGCSE Statement of Results, or a WASSCE/WAEC score report. All non-U.S. secondary education credentials, whether externally or in-house evaluated, must meet U.S. high school diploma equivalency.

The purpose of the course evaluation is to both verify non-U.S. academic credentials and equate foreign coursework to the U.S. grade point average (GPA) and course credit hour system. This also eliminates the need to obtain official, translated transcripts from your school(s) to be sent to UNCG.

The IRAO accepts academic evaluation reports from any of the NACES®—National Association of Credential Evaluation Services (https://www.naces.org/members/) members or, the Association of International Credential Evaluators® (AICE) endorsed member, Scholario, Inc.

For information on exemptions from a course evaluation, please visit: https://intladmissions.uncg.edu (https://intladmissions.uncg.edu/).

The International Programs Center (IPC) (https://international.uncg.edu/) is the primary resource for admitted and current international students regarding I-20 issuance, immigration guidance, international students regarding I-20 issuance, immigration guidance, international.uncg.edu/

The Residency Determination Service is the entity responsible for all undergraduate classifications of residency for tuition purposes in North Carolina. Residency classification for tuition purposes determines in-state or out-of-state status and may impact admission, tuition, scholarships, or financial aid eligibility.

A residency determination from RDS is required for undergraduates applying for admission, readmission, or transfer to any NC college or university, public or private, who wish to receive the benefits of in-state tuition and/or eligibility for state grants. Complete the RDS online interview process at www.ncresidency.org (http://www.ncresidency.org).

Second Baccalaureate Degree Students
An applicant who holds a baccalaureate degree from a regionally accredited institution may earn an additional baccalaureate degree by the following means:

1. Completing a minimum of 31 additional credit hours for each subsequent degree at UNCG beyond the hours required for their first degree.
2. Satisfying upper division requirements in the major field as recommended and approved by the department and approved by the department chair granting the additional degree.
3. Completing other requirements or pertinent supporting courses as approved by appropriate department chairperson or dean.

An applicant seeking an additional baccalaureate degree must have a minimum of a 2.0 cumulative GPA on a 4.0 scale from their post-secondary work and be eligible to return to their most recent institution.

Summer Session
Currently enrolled UNC Greensboro students who are continuing their studies at UNC Greensboro in the summer do not need to complete a separate application.

New or visiting students planning to attend Summer Session at UNC Greensboro must apply through the Office of Undergraduate Admissions.

Transfer Credit
Transfer Articulation Services
Located in the University Registrar’s Office, this unit enters transfer credit course work into the student’s official record. Also, in association with university faculty, this unit is responsible for determining how postsecondary-level courses and credits transfer to UNC Greensboro, applying admission-level transfer credit regulations, and enforcing the provisions of the North Carolina Comprehensive Articulation Agreement. Students with questions about transfer credit are encouraged to contact Transfer Articulation Services at transfercredit@uncg.edu.

Transfer Credit Policies and Limits
Institutional Accreditation
UNC Greensboro is accredited by the Southern Association of Colleges and Schools Commission on Colleges. The primary service area for the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) includes Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas, and Virginia. SACSCOC does accept applications from international institutions that can meet its accreditation standards. The accreditation standards of this Commission require member institutions to analyze credit accepted for transfer in terms of level, content, quality, comparability, and degree program relevance; therefore, course credit for undergraduate degree-seeking students that originates from other SACSCOC member institutions can be readily evaluated by Transfer Articulation Services.

These requirements are consistent with the Accrediting Commission for Community and Junior Colleges (ACCJC) Western Association of Schools and Colleges, Higher Learning Commission (HLC), Middle States Commission on Higher Education (MSCHE), New England Commission of Higher Education (NECHE), Northwest Commission on Colleges and Universities (NWCCU), Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), and WASC Senior College and University Commission (WSCUC). UNC Greensboro recognizes the accreditation standards of these agencies; course credit originating from any institution accredited by these agencies for undergraduate degree-seeking students can be readily evaluated by Transfer Articulation Services.

Professional School Admissions
Admission to the university does not constitute selection into any of the professional schools.

Minimum Transferable Grade
Transfer credit to be awarded is determined by the quality and quantity of the student’s previous college work. Course work completed with a grade of C-, D+, D, or D- will not transfer. Transfer courses are evaluated on a course-by-course basis.
Transfer Credit Limit
The sum total of transfer credit from two-year college(s), that may be
applied toward an undergraduate degree may not exceed 64 semester
hours.

Repeated Courses
The university’s Repeated Course Policy applies to transfer credit. In the
case of duplicate transfer credit, only the first instance in which credit
can be awarded will remain on the UNC Greensboro academic record.

Programs and Articulation Agreements
Comprehensive Articulation Agreement
The North Carolina General Assembly, the Board of Governors of the
University of North Carolina, and the State Board of Community Colleges
are committed to the simplification of transfer of credits for students
and thus facilitating their educational progress as they pursue associate
or baccalaureate degrees within and among public post-secondary
institutions in North Carolina. The Comprehensive Articulation Agreement
(CAA) is a statewide agreement governing the transfer of credits between
NC community colleges and public universities in North Carolina, and
has as its objective the smooth transfer of students, providing certain
assurances to the transferring student by identifying community college
courses that are appropriate for transfer as electives, and specifying
courses that will satisfy pre-major and general education requirements.

The CAA establishes the procedures governing the transfer of credits
for students who transfer from a North Carolina Community College to a
constituent institution of the University of North Carolina. To be eligible
for the transfer of credits under the CAA, the student must graduate from
the community college with an Associate in Arts (AA) or Associate in
Science (AS) degree and have an overall Grade Point Average (GPA) of
at least 2.0 on a 4.0 scale and a grade of “C” or better in all CAA courses.
Students who do not complete the degree are eligible to transfer credits
on a course-by-course basis. Students officially enrolled in an AA or AS
program at a North Carolina community college prior to Fall Semester
2014 are subject to the conditions and protections contained in the
CAA in place at the time of their initial enrollment as long as they have
remained continuously enrolled.

Community college graduates of the Associate in Arts or Associate
in Science degree programs who have earned 60 semester hours in
approved transfer courses with a grade of “C” or better will receive at
least 60 semester hours of academic credit upon admission to UNC
Greensboro. A student who completes the Associate in Arts or Associate
in Science degree prior to transfer to UNC Greensboro will have fulfilled
the university’s lower-division general education requirements, but not
intermediate-level general education requirements like the College of
Arts and Sciences’ foreign language requirement. Also, due to degree
requirements in some majors, additional lower-division courses at UNC
Greensboro may be required beyond the general education courses and
pre-major courses taken at the community college.

Reverse Transfer Program
This program awards an associate degree to students who previously
attended a NC community college and earned at least 16 community
college course credits. The student will earn their associate degree
while completing courses for a baccalaureate degree at the four year
institution. There is no cost to participate in the Reverse Transfer
program. Students should contact their community college for fees
related to printed diplomas and participating in graduation ceremonies.

Students who transfer to a North Carolina university from one of the 58
North Carolina community colleges are given the opportunity to combine
the credits earned at the university with credit already earned at the
community college to determine if the associate degree requirements
have been met.

Students are responsible for opting in via UNCGenie, and the community
college evaluates transcripts and awards associates degrees. The
awarding of the associates degree will vary according to how many
credits the student has earned.

Please see the official Frequently Asked Questions (FAQs) for eligibility
and answers to all questions: www.northcarolina.edu/reversetransfer.

Students who participate in North Carolina’s Reverse Transfer Program
and earn an Associate of Arts or Associate of Science will satisfy the
university’s lower-level General Education Program (Minerva’s Academic
Curriculum · MAC) requirements per the Comprehensive Articulation
Agreement. Requirements that are not met within this program are:

- intermediate-level MAC courses

UNC Greensboro academic advisors can guide your completion of
university degree requirements, not the degree requirements for other
colleges. Participating students assume responsibility to understand and
meet final associate degree requirements.

2Plus Programs
The 2Plus program is for those North Carolina community college
graduates who hold a specific Associate in Applied Science (A.A.S.)
or Associate Degree in Nursing (A.D.N.) degree and desire to transfer
into UNC Greensboro with advanced standing, pursuing a specific
UNC Greensboro major. Articulation notices are sent to North Carolina
community colleges listing the 2Plus admission requirements. Specific
details of each notice may be obtained from the UNC Greensboro Office
of Undergraduate Admissions.

2Plus Articulation students are transfer students with several unique
requirements and procedures. Details governing their enrollment are
provided for in the articulation notices. The decision for admission
is based on successful completion of the A.A.S./A.D.N. Degree
and other specific factors outlined in the 2Plus articulation notice.
Students admitted under the 2Plus agreement must notify the Office of
Undergraduate Admissions to change their major. A change in major may
result in a change in the student’s transfer credit evaluation.

No combination of 2Plus and community college transfer credit may
exceed 64 semester hours.

More details about 2Plus admission requirements are available at the
2Plus website: https://admissions.uncg.edu/apply/transfer/2plus-
programs/ (https://admissions.uncg.edu/apply/transfer/2plus-
programs/).

RN to BSN Articulation Agreement
This uniform, statewide academic progression agreement promotes
education advancement opportunities for registered nurses moving
between North Carolina community colleges and UNC Greensboro in
order to complete BSN degrees. Specific details of the notice may be
obtained from the UNC Greensboro Office of Undergraduate Admissions
or the School of Nursing which include general education and nursing
prerequisite courses. Students who follow the progression degree
plan will meet entrance requirements to UNC Greensboro’s RN to BSN
programs.
Eligibility for the Uniform Articulation Agreement

A potential student must:

- enter a NC Community College Nursing program on or after Fall Semester, 2015.
- earn an Associate Degree in Nursing at a NC Community College with a GPA of at least 2.0.
- earn a grade of C or better in all courses included in the first three blocks of the progression plan.
- be licensed as an RN prior to applying to the RN to BSN program.

For more details of the agreement’s progression plan, please reference the UNC Greensboro School of Nursing website: http://nursing.uncg.edu/undergraduate/rnbsn/.

NC School of Science and Math Articulation Agreement

In addition to examination programs, UNC Greensboro has an established articulation agreement with North Carolina School of Science and Mathematics (NCSSM) since 2010. NCSSM is the only secondary school in the UNC System. Students will be granted credit based on the course equivalencies and related requirements listed below. Students will be granted credit only, grades earned at NCSSM are not factored into a UNC Greensboro’s student grade point average.

It is required that students earn a grade of B or higher in all the NCSSM courses listed below, grades of B- or lower are not acceptable. Moreover, most NCSSM courses listed are part of a sequential program. A grade of a B or higher must be earned in all courses within the sequence to receive transfer credit.

Secondary School Course Credit and Advanced Placement

Transfer credit or exemption from specific degree requirements may be earned by meeting university established minimum scores in recognized examination programs such as AP or IB. Students should contact their secondary school counselors regarding dates and local test centers.

Cambridge International Examinations

Cambridge International A and AS Level course credit (and/or higher placement) may be awarded after evaluations of documentation. Please contact Transfer Articulation Services for further information.

CLEP - College Board Advanced Placement (AP) Program

Secondary school students enrolled in AP courses may receive college credit by taking AP examinations upon completion of the courses. Official score reports should be submitted with the application. AP exam scores reported on other transcripts will not be evaluated for transfer credit. Please visit the College Board’s AP Score Reporting Services website to order scores to be sent to UNC Greensboro: https://apstudents.collegeboard.org/sending-scores/.

Please refer to the following website for a complete list of transfer credit awarded at UNC Greensboro for Advanced Placement exams: https://spartancentral.uncg.edu/registration-degree-planning/placement-tests/.

College Board SAT: Writing Exam

Exemption from ENG 101 will be based on a score of 650 or above on the SAT Writing Exam. Questions about these exemptions appearing on a student’s degree evaluation should be directed to the Students First Office.

DSST

The DSST Credit-by-Exam program offers students the opportunity to use their knowledge acquired outside of the classroom (perhaps from reading, on-the-job training, or independent study) to accomplish their educational goals. While the exams are funded for active-duty military, DSST exams are not just for those in the military. Adult learners, homeschooled students, and military veterans are also eligible to earn college credits through DSST. Students can visit their website to review offered exams, test preparation, and locate a test center: www.getcollegecredit.com.
International Baccalaureate (IB) Program
Secondary school students enrolled in International Baccalaureate courses may receive college credit by taking IB examinations. Official score reports should be submitted with the application. IB exam scores reported on other transcripts will not be evaluated for transfer credit. Students should request that their test scores be sent to UNC Greensboro. Please visit the International Baccalaureate website for steps to order scores be sent to UNC Greensboro: [http://www.ibo.org/programmes/diploma-programme/assessment-and-exams/requesting-transcripts](http://www.ibo.org/programmes/diploma-programme/assessment-and-exams/requesting-transcripts).

Please refer to the following website for a complete list of transfer credit awarded at UNC Greensboro for IB exams: [https://spartancentral.uncg.edu/registration-degree-planning/placement-tests](https://spartancentral.uncg.edu/registration-degree-planning/placement-tests).

Credit For Military Training And Prior Learning Assessment
Military Course Credit
Elective credit for military training may be awarded where UNC Greensboro has comparable courses and upon receipt of an official transcript from the Community College of the Air Force or a Joint Services Transcript.

Transfer Students
A transfer student is defined as an undergraduate who has attended another postsecondary institution after graduating from high school.

Requirements and Procedures
It is required that applicants that have attended another college/university (including 2-year, 4-year, and/or junior colleges) submit an application for admission, all official transcripts for institutions of higher learning attended, and other needed documentation to the Office of Undergraduate Admissions.

To qualify for admission, applicants with at least 24 transferable hours must have a cumulative GPA of at least 2.0 on a 4.0 scale from all post-secondary coursework.

For purposes of undergraduate admission, transfer applicants who have earned at least 24 transferable undergraduate credits from one or more regionally accredited, post-secondary institutions shall not be required to meet Minimum Admissions Requirements (MAR) and Minimum Course Requirements (MCR).

1. Transferable undergraduate credit counted as part of these 24 hours shall include:
   a. Credit earned at foreign institutions deemed to have the equivalence of regional accreditation; equivalence of regional accreditation generally refers to recognition by the foreign country's Ministry of Education and/or recognition by a NACES-accredited organization offering credential evaluation services; and
   b. Credit awarded for prior learning as part of military service, with the military branch designated as the transfer institution
   c. Undergraduate credits awarded for AP, IB, or other credit by exam shall not be included as part of these 24 hours. However, students are encouraged to submit official scores directly from the testing agency for credit evaluation.
   d. Applicants under the age of 21 with fewer than 24 hours of transferable undergraduate credit earned in a post-secondary institution will be evaluated based on first-year (freshman) MAR and MCR.
   e. Transfer applicants who are 21 years of age or older and who have less than 24 transferable hours may be evaluated based on their post-secondary performance and/or high school performance.

Comprehensive Articulation Agreement (CAA)
Students who have completed an Associate Degree of Arts (AA) or Associate Degree of Science (AS) at a North Carolina community college with at least a 2.0 on a 4.0 scale will be admitted per State of NC's Comprehensive Articulation Agreement (CAA). Students who have met the CAA are considered to have met the general education requirements at UNCG. Students are still responsible for meeting any prerequisite course requirements required by academic major programs.

UNCG will transfer no more than 64 SH (96 quarter-hours) earned at two-year institutions. Courses for which there is no equivalent course will transfer as elective credit.

Veterans
For purposes of undergraduate admission to UNC Greensboro, any individual having completed a minimum of three years of cumulative active duty service in the United States Armed Forces shall be exempt from minimum admissions requirements (MAR) and minimum course requirements (MCR), although they may be considered first-time undergraduates (freshmen) for reporting and/or receipt of services.

Applicants under the age of 21 shall be required to submit a high school transcript or GED, college transcript(s) (if applicable), and a relevant military transcript for evaluation. The branch of service reporting the source of transferred credit hours earned through military training will function as the applicant's institution of transfer. If discharged from active duty, the veteran must have received an Administrative (non-punitive) Discharge. This policy shall not apply to veterans receiving a "Bad Conduct or Dishonorable Discharge."

When enrolling at UNC Greensboro, the veteran should present a Certificate of Eligibility to the Military-Affiliated Services office requesting that certification of enrollment be sent to the VA. This Certification of Enrollment is necessary before educational benefits can be received. Certification of Enrollment must be requested for each academic semester including summer sessions.

Visiting Students
College Level
College-level visitors may apply through the Office of Undergraduate Admissions.

NOTE: Former UNC Greensboro students are not permitted to take classes as visiting students.

High School Level
High school seniors with superior academic credentials may want to supplement their high school curriculum with courses at UNC
Greensboro. To determine if you are eligible to enroll as a visiting student, contact the Office of Undergraduate Admissions at 336-334-5243. Admission as a visiting student does not imply regular admission to UNC Greensboro.

In addition, visiting high school applicants must:

• Submit the UNC Greensboro application and the application fee.
• Have a letter of permission from parent(s) and from the high school principal sent directly to the UNC Greensboro Office of Undergraduate Admissions. The letter must include permission to take a specific UNC Greensboro course.
• Request that an official high school transcript and SAT or ACT scores be sent to the UNC Greensboro Office of Undergraduate Admissions.
