

# CLASSICAL STUDIES SECOND ACADEMIC CONCENTRATION

## Classical Studies Second Academic Concentration for Elementary Education with K–6 Teacher Licensure, B.S.

This concentration is designed for students in the Elementary Education and Special Education programs. Much of the subject matter in the concentration (mythology, language and reading study, word origins, history, and culture) is easily adaptable for use with elementary grades students, and the flexibility of the concentration is designed to accommodate the schedules of Elementary Education and Special Education majors.

### Requirements

- Minimum of 18 credit hours
