Accelerated B.A. to M.A. in Communications Studies

Application and Admission
Qualified UNC Greensboro undergraduate students may apply for admission to the Accelerated Master’s Program (AMP) in Communication Studies. A cumulative undergraduate GPA of at least 3.5 based on at least 30 credit hours earned at UNC Greensboro is required. Applicants must have completed at least 60 credits and may not apply for admission to the AMP before the first semester of the junior year.

Communication Studies has the following additional requirements:
At least 15 credits of undergraduate Communication Studies courses, with an earned 3.5 GPA in these courses. The 15 credits must include CST 300 Communication Theory, with a minimum grade of B. Of the remaining 12 credits, 6 credits must be from among CST 105 Introduction to Communication Studies, CST 200 Communication and Community, CST 207 Relational Communication, and CST 210 Communicating Ethically. Standard application requirements for the Master of Arts (M.A.) program (i.e., undergraduate transcript(s), three letters of recommendation, personal statement, writing sample, interview).

Courses
Admitted students may apply a maximum of 12 credits of graduate-level course work toward completion of both the undergraduate and graduate degrees, provided that they earn a grade of B (3.0) or better in each graduate course and fulfill graduate-level requirements.

As with all graduate students in Communication Studies, courses counted toward the M.A. degree need the prior approval of the Graduate Program Director. Up to, but not more than, 12 credits of graduate courses may be double-counted. For a course to apply toward both degrees, the student must earn a grade of B (3.0) or better in the course and fulfill graduate-level requirements.

The M.A. degree requires 30 credit hours of graduate-level course work. If the maximum of 12 credits is double-counted toward both the undergraduate and graduate degrees, the student must complete an additional 18 credits of graduate-level course work to complete the M.A. degree. Please see the section below for a full description of the M.A. degree requirements. The following courses have been identified as those that may be counted toward the B.A. and M.A. degrees. These courses have been chosen because they are well suited to AMP students and because they are offered frequently enough to provide students substantial opportunity to enroll in them. All courses that lead to the completion of the M.A. degree must be approved with the Graduate Program Director.

The following courses may be counted toward the bachelor’s and the master’s degrees:

Substitutions for the above courses require the permission of the Graduate Program Director in the Department of Communication Studies.

Please consult with an advisor to determine how the courses taken at the graduate level will meet requirements in the bachelor’s degree program. All degree requirements for the M.A. in Communication Studies remain the same.
