

STATISTICS, POST-BACCALAUREATE CERTIFICATE

The Post-Baccalaureate Certificate in Statistics provides statistical training for persons who wish to enhance their knowledge of statistics but do not wish to pursue a formal degree and for professionals whose interests require a knowledge of statistics beyond the undergraduate level. The objective of the certificate is to offer a structured introduction to the basic ideas of graduate level statistical analysis.

For information regarding deadlines and requirements for admission, please see <https://grs.uncg.edu/programs/>.
