  - Select one additional course from any of the four listed Distribution Categories

*The Capstone course is open only to students who have completed the requirements for the Minor. With permission, students may take the Capstone concurrently while taking the last course to fulfill the distribution requirement. In this course each student will develop and present a project which makes use of material from courses taken in fulfillment of the Minor. The course will also include guest lectures on a variety of topics in Medical Humanities.

**With permission of the Director, students may substitute in appropriate courses not listed here.**
