NONPROFIT MANAGEMENT, POST-BACCALAUREATE CERTIFICATE

The Post-Baccalaureate Certificate in Nonprofit Management requires 15 credit hours and is designed to meet the training needs of nonprofit professionals. Certificate graduates will be prepared for management positions in the nonprofit sector, including positions in human service agencies, foundations, or professional associations. The certificate program may be useful to government and business professionals who have significant voluntary or nonprofit agency responsibilities.

The program combines core courses and electives that allow a student some tailoring to specific interests with courses available online and/or on campus. At least 12 credits must be taken in the M.P.A. curriculum. A portfolio demonstrating skills and competencies acquired through course work in the program must be submitted and approved for completion of the certificate. If the portfolio is judged unacceptable, no more than one additional attempt to satisfy the requirement is permitted. If the student fails to meet the department's minimum criteria for the portfolio on the second attempt, The Graduate School will be notified and will send the student a letter of dismissal.

For information regarding deadlines and requirements for admission, please see https://grs.uncg.edu/programs/.

In addition to the application materials required by the Graduate School, applicants must submit a personal statement and a resume.
