URBAN AND ECONOMIC DEVELOPMENT, POST-BACCALAUREATE CERTIFICATE

The Post-Baccalaureate Certificate in Urban and Economic Development requires 15 credit hours and a capstone project. It is designed to meet the professional development training needs of those currently working in or planning to work in urban planning or community and economic development.

This certificate requires courses emphasizing the knowledge and skills to prepare students to work in organizations focusing on urban planning and community economic development activities in government and nonprofit organizations.

For information regarding deadlines and requirements for admission, please see https://grs.uncg.edu/programs/.

In addition to the application materials required by the Graduate School, applicants must submit a personal statement.

Capstone Requirement

Students will cumulatively synthesize learned competencies acquired during the Urban and Economic Development certificate program. The capstone project will be based on assignments and project work from all course work completed during program but will be tailored to individual professional objectives. Students will submit their capstone project to the Urban and Economic Development Certificate Coordinator in the semester in which they apply to graduate.
