

# PSYCHOLOGY, PH.D.

## Cognitive, Developmental, Social, or General Experimental Psychology Concentration

Entry into the Ph.D. program requires an M.A. in Psychology from UNC Greensboro or from another institution. For students continuing from the M.A. program at UNC Greensboro, only courses with grades of B or better may count toward the Ph.D. degree; grades below B in courses that were counted toward the M.A. degree must be replaced by either re-taking the same course or by earning a grade of B or better in a substitute course. Course equivalents are decided according to departmental policy, which varies by course category (e.g. tools courses vs. core courses). A minimum of 71 credits hours are required for the Ph.D. degree.

Students who receive an M.A. from another institution will submit syllabi, thesis document, and other materials for review to determine the portability of their MA degree. Typically, students earn credit for the M.A. degree and must complete remaining Ph.D. requirements and a minimum of 35 credits at UNC Greensboro.
