INFORMATION TECHNOLOGY, POST-MASTER’S CERTIFICATE

The purpose of the online 12 credit hour Post-Master’s Certificate in Information Technology is to provide professionals who already have an M.B.A. degree (or a master’s degree in a related field) with state-of-the-art knowledge and skills in the application of information technology to the solution of organizational problems.

For information regarding deadlines and requirements for admission, please see the Guide to Graduate Admissions (https://grs.uncg.edu/prospective/guide).

Applicants to the Post-Master’s Certificate program are required to have an M.B.A. or related master’s degree.
