

UNIVERSITY STUDIES (UNS)

UNS 100 Online Students Succeed at the G 3

This course is designed to help online campus students transition successfully to academic and student life. Students will learn and connect with the UNCG community, campus resources and opportunities, while developing skills essential for academic success, and beginning their journey to discovering their own purpose and potential.

MAC: MAC Foundations

Prerequisites: None.

Notes: UNS 100 is for online degree seeking students only. Must have fewer than 60 credits or can enroll by written permission.

UNS 100X Experimental Course 1-6

This number reserved for experimental courses. Refer to the Course Schedule for current offerings.

UNS 101 Succeed at the G 3

This course helps new students transition successfully to academic and student life. Students connect with the UNCG community, campus resources and opportunities, while developing skills essential for academic success, and beginning their journey to discovering their own purpose and potential. Topics addressed supplement discipline content, major, and professional development.

MAC: MAC Foundations

Prerequisites: None.

Notes: UNS 101 is open to all majors. Must have fewer than 60 credits or can enroll by written permission.

UNS 105 Exploratory Students Succeed at the G 3

This course is designed to help students who are undecided on their major transition successfully to academic and student life. Students will connect with the UNCG community, campus resources and opportunities, and develop skills essential for success in any field, while beginning their journey to discovering their purpose and potential.

MAC: MAC Foundations

Prerequisites: None.

Notes: UNS 105 is only for students who are undecided in their major. Must have fewer than 60 credits to enroll.
