The School of Education also supports programs in teacher education conducted under the auspices of other schools (Visual and Performing Arts; Health and Human Sciences) and departments within the College of Arts and Sciences by responding to course requirements in the areas of social, philosophical, and psychological foundations; methodology; curriculum; and student teaching. Recent emphases in competency-based curricula and individualized programming contribute to newly designed teacher education programs.

All licensure programs for school personnel are approved by the North Carolina State Department of Public Instruction. The School of Education, with licensure programs in other units, is accredited by the National Council for Accreditation of Teacher Education (NCATE).

The School of Education is a professional school that strives to prepare outstanding practitioners, study the profession, create and disseminate new knowledge in professional education, and engage in field services and apply research findings. A general discussion of Teacher Education may be found under School of Education Licensure Programs in this Catalog.
