

LICENSURE-ONLY PROGRAMS

Licensure in Instructional Technology (077)

Candidates who already have an advanced degree in education or who already have a M.L.I.S./M.L.S. degree may earn Instructional Technology (077) licensure by taking 18 credit hours of specialized course requirements, including a practicum.

Licensure in School Library Media Coordinator (076)

School Library Media Coordinator (076) licensure is not an add-on degree or a lateral-entry degree. Prospective students who have an undergraduate degree or graduate degree in another discipline must additionally earn the M.L.I.S. degree to be licensed. Individuals cannot be licensed as school librarians without having a graduate library and information science degree.

Individuals who already have a M.L.I.S. or M.L.S. degree may add School Library Media Coordinator (076) licensure by completing the licensure-only program which involves taking five school library courses equaling 15 credit hours. Additional education hours may be required for individuals who have never taught and are not previously licensed teachers. A Specialty Area Praxis exam is required (5312) with a passing score of 145.

Licensure in School Library Media Supervisor (078)

School Library Media Supervisor (078) licensure is required for service as Director of Media Services in a school system. This is an add-on license that is based on eligibility to hold the School Library Media Coordinator licensure plus 9 graduate credit hours in administration, curriculum development, or supervision and three years of acceptable experience as a school librarian. Course work leading to eligibility for School Library Media Supervisor (078) licensure is offered to applicants who already have a M.L.I.S. degree, a School Library Media Coordinator license, and three or more years experience as a school librarian. A Specialty Area Praxis exam is required (5411) with a passing score of 145.

This licensure program is offered sporadically based on interest. Individuals interested in this license should contact the School Library and Licensure Program Coordinator in the Department of Library and Information Science.

For information regarding deadlines and requirements for admission, please see <https://grs.uncg.edu/programs/>.

In addition to the application materials required by the Graduate School, applicants for the licensure only program must submit a resume and personal statement.

A GRE or MAT score is not required.
