

SOE GLOBAL PATHWAY PROGRAM

The School of Education Global Pathway Program is designed for international graduate students with conditional admission to various UNC Greensboro graduate programs. The program prepares students to build upon their prior knowledge to develop academic English language proficiency to be prepared for graduate studies; enhance intercultural competency through interpersonal, interpretive and presentational communication in both oral and written formats; and use campus resources and technology tools to interact and collaborate in the local and global academic communities.

Program Requirements

Required: 28 credit hours
