Education. Other content areas at the secondary level are offered through Middle Grades Education, and Secondary (High School) Social Studies. Bachelor of Science level we offer degrees in Elementary Education, to those who wish to pursue an advanced degree in education. At the undergraduate to master’s to doctoral level, our programs offer exceptional value and opportunity. From the undergraduate to master’s to doctoral level, our programs offer exceptional value and opportunity. As a result, dedicated students are empowered to create a path to their own success. Our graduates become teachers, improve their current teaching practice, work in colleges or universities as instructors or administrators, and work with preservice or inservice teachers in university teacher educator programs and school district offices — many earning positions even before earning their degrees.

The Higher Education Program

The M.Ed. program in Student Affairs Administration in Higher Education (SAAHE) is designed to prepare entry-level professionals to work in student affairs and student services at higher education institutions. The curriculum closely follows the ACPA/NASPA Professional Competencies as well as the CAS Standards for graduate professional preparation.

The Ph.D. in Educational Studies with a concentration in Higher Education brings together outstanding faculty mentors with scholars from all levels of educational experience to pursue one common goal: to become leaders driven to make a difference in the lives of learners, who, in turn, are prepared to make their own positive difference in the world. Whether your professional goal is to be a leader in elementary schools, secondary schools or higher education, we are here to provide the best possible preparation and support.
