Lucia Mendez, Graduate Program Director, M.S.

About

The Department of Communication Sciences and Disorders (CSD) offers two graduate programs of study: a two-year Masters degree program in Speech Language Pathology and a Ph.D. program in CSD. An extension of the CSD Ph.D. program, entitled The Inter-Institutional Distance Education Agreement for Learning and Leadership in Communication Sciences and Disorders (IDEALL CSD) is available to part-time doctoral students living in the western region of North Carolina. IDEALL CSD is a distance educational agreement between UNC Greensboro and Western Carolina University (WCU). The UNC Greensboro Masters Degree Program in Speech-Language Pathology (SLP) is a nationally ranked program, accredited by the American Speech-Language Hearing Association’s Council on Academic Accreditation in Audiology and Speech-Language Pathology. Our undergraduate, pre-professional program prepares students with a background in speech, language, and hearing sciences, and in speech, language, and hearing disorders in anticipation of their continued studies at the graduate level.
