

SPEECH PATHOLOGY AND AUDIOLOGY, B.S.

The Speech Pathology and Audiology major provides a preprofessional program for those preparing for graduate study in speech-language pathology or audiology. The major is designed to satisfy some requirements for the N.C. license in speech-language pathology or audiology, although no license is awarded until completion of the master's degree in speech language pathology and the Au.D. or Ph.D. in audiology. Instruction is designed to meet American Speech-Language-Hearing Association standards. Transfer students may require an additional semester to complete the undergraduate degree program. All undergraduates will register with the major code of SPAU, but will not be allowed to take CSD courses at the 300 level or above until formally accepted into the major.

Student Learning Goals

Students majoring in Speech Pathology and Audiology will be able to meet the standards detailed below.

- Identify the foundations of normal communication (speech, language, hearing).
- Explain the theories and processes involved in the identification and evaluation of communication disorders.
- Identify disorders of receptive and expressive written and oral language (phonology, morphology, syntax, semantics, and pragmatics).
- Identify disorders of speech production (articulation, voice, and fluency).
- Describe the cognitive and social aspects of communication.
- Relate issues of cultural diversity to communication and its disorders.
- Explain relationships of hearing and hearing disorders to speech and language development and disorders.
- Analyze and measure hearing function.
- Describe habilitation and rehabilitation of individuals with hearing impairment.

Admission Requirements

1. Students must be formally admitted to the Speech Pathology and Audiology Major. Only students with a written acceptance will be permitted to enroll in required courses at the 300 level or above.
2. Applicants for admission to the Speech Pathology and Audiology major may apply only after completion and/or transfer of 55 credit hours and must apply before enrollment in any required courses at or above the 300 level in the major. Applicants must have an overall grade point average of at least 3.0 to apply to the major.
3. The grade point average is a minimum requirement and simple compliance does not automatically imply admission. In all cases, admission is competitive and limited by space available in the program.
4. Students seeking admission to the Speech Pathology and Audiology Major should proceed as detailed below.
 - a. Secure an official transcript(s) of undergraduate course work completed at colleges and universities other than UNC Greensboro, and an unofficial transcript from UNC Greensboro;

- b. Secure an application from the Communication Sciences and Disorders Program Office, 300 Ferguson Building, or online at <http://csd.wp.uncg.edu/students/bs/>;
- c. Deliver both the transcripts and the completed application to the Program Office, 300 Ferguson Building, by May 15.
- d. In some cases the Program may require additional information or an interview, so the application process should be initiated immediately after completion of 55 credits. Criteria for Continuing in the Speech Pathology and Audiology Major.

Criteria for Progressing in the Speech Pathology and Audiology Major

Failure to meet the following criteria will result in dismissal from the major and loss of approval to graduate.

1. Students must maintain a 3.0 GPA overall.
2. Students must maintain a 3.0 GPA in all CSD major courses (300 level and above).
3. Students who earn a grade of C- to D will be automatically placed on probation and required to replace the grade at UNC Greensboro. Student will remain on probation until grade is replaced with a satisfactory grade of a C or better.
4. Student will be dismissed if :
 - a. They earn more than 1 C- or below in a major course and/or
 - b. They earn a grade of D- or below in a major course.
5. Students can only replace 1 grade in a major course at UNCG.
6. Students cannot replace a CSD course grade with a CSD course from another institution.
7. Failure to comply with all university regulations, including the Academic Integrity Policy, will result in dismissal from the major.
