

RECREATION AND PARKS MANAGEMENT, B.S.

The Recreation and Parks Management degree teaches skills in program planning, leadership, community inclusion, and strategies for enhancing, health, wellbeing, and quality of life for all ages, abilities, and backgrounds. Specialties within this growing field are public recreation, therapeutic recreation (recreation therapy), event planning, gerontology, youth development, sports management, parks and forestry, specialized facility management, commercial enterprising, resource management, and administration. The undergraduate program has been fully accredited by the Council on Accreditation of Parks, Recreation, Tourism and Related Professions (COAPRT) since 1981.

Overall Requirements

- 120 credit hours to include at least 36 credits at or above the 300 course level.
- Both field experiences are typically offered only during the summer sessions and should not be taken during the same summer; students should plan accordingly.
