The Recreation and Parks Management major prepares students to pursue careers in community recreation and event planning and therapeutic recreation, and prepares students to pursue graduate study at the master's level.

**Overall Requirements**
- 122 credit hours to include at least 36 credits at or above the 300 course level
- Both field experiences are typically offered only during the summer sessions and should not be taken during the same summer; students should plan accordingly.

Electives
Electives sufficient to complete 122 total credit hours required for degree.

Accelerated B.S. to M.S.
Qualified UNC Greensboro undergraduate students who are pursuing the B.S. in Recreation and Parks Management may apply for admission to the Accelerated Degree Program (Applying for Admission). A cumulative undergraduate GPA of at least 3.5 based on at least 30 hours earned at UNC Greensboro is required. Applicants must have completed at least 60 semester credits and may not apply for admission to the ADP before the first semester of the junior year. Applicants will not be required to take an entrance exam. All applicants must submit the Request for Accelerated Degree Program to The Graduate School and must simultaneously apply for admission to the graduate degree program.

Admitted students may apply a maximum of 12 credits of graduate-level coursework (each course carries 3 credits) from the following course list toward completion of both the undergraduate and graduate degree, provided that they earn a grade of “B” (3.0) or better in each course and fulfill graduate-level requirements:

Degree Requirements
Please consult with an advisor to determine how the courses taken at the graduate level will meet requirements in the bachelor’s degree program. All degree requirements for the M.S. degree in Parks and Recreation Management remain the same. Several undergraduate courses within the B.S-Recreation and Parks Management program will be substituted with graduate-level courses identified within the ADP.
