KINESIOLOGY, B.S.

Requirements
The Kinesiology major requires courses in the areas listed below.

1. General Education Core Requirements
2. General Education Marker Requirements
3. Major Core Requirements
4. Related Area Requirements
5. Kinesiology Electives
6. Additional Requirements

The Kinesiology major prepares students for careers in sports medicine, preventive and rehabilitative exercise and fitness. Graduates are able to pursue careers in fitness, personal training, cardiac rehabilitation, exercise physiology and related fields. Additionally, completing this major is a first step toward providing students with the necessary academic and clinical experience for future study in allied health fields. Examples include, but are not limited to, athletic training, physical therapy, occupational therapy, physician's assistant, podiatry, dentistry, and medicine.

Student Learning Goals
1. Students completing this program will demonstrate a basic knowledge of anatomy.
2. Students completing this program will demonstrate a basic knowledge of biomechanics.
3. Students completing this program will demonstrate a basic knowledge of exercise physiology.
4. Students completing this program will demonstrate a basic knowledge of sociohistorical foundations of Kinesiology.
5. Students completing this program will demonstrate a basic knowledge of human development over the lifespan.
6. Students completing this program will apply the basic scientific theories and principles that serve as a foundation for the allied health and medical professions.
7. Students completing this program will demonstrate a basic knowledge of the structure and function of the human body and the stresses associated with movement, exercise and the demands of various physical activities.
8. Students completing this program will demonstrate a basic knowledge of the prevention, care, and treatment of injuries and illnesses that commonly occur in physical activity.

Overall Requirements
- 120 credit hours, to include at least 36 credits at or above the 300 course level
- All KIN courses must be completed with a grade of C (2.0) or higher
- No required KIN course may be taken more than twice. Students who receive a grade below C twice in the same KIN prefix course will be withdrawn from the KIN major.

Activity Courses *
- Select four activity courses.

Related Area Requirements

Biology
- Select one course with the CST prefix chosen from course numbers 105 to 599
- Select one course with the NTR prefix chosen from course numbers 213 to 599

Nutrition
- Select one course with the NTR prefix chosen from course numbers 213 to 599

Communication Studies
- Select one course with the CST prefix chosen from course numbers 105 to 599

Psychology
- Select one course with the CST prefix chosen from course numbers 105 to 599
- Select one course with the CST prefix chosen from course numbers 105 to 599

- Select one course with the CST prefix chosen from course numbers 105 to 599

University Requirements (https://catalog.uncg.edu/academic-regulations-policies/undergraduate-policies)
* Four activity courses must be completed with a grade of C (2.0) or higher. A maximum of 2 ACT may be taken in the same semester. ACT courses which are sequential—e.g. beginner, intermediate, advanced, may not be taken concurrently. Once a course has been successfully completed, a student may not enroll in a lower level course for the same activity. A maximum of 2 DCE courses may be substituted for ACT courses provided the DCE courses are officially listed by the university as STU courses.

** A minimum of 3 credits of anatomy and 3 credits of physiology is required. Anatomy/physiology combined courses must be at least 6 credits to count as both anatomy and physiology. Students may take multiple levels of combined anatomy and physiology courses (A&P I and A&P II) in order to achieve the minimum 6 credits.

† Counts toward GEC GNS requirement.

†† Counts toward GEC GSB requirement.

Additional Requirements

1. Admission

   All students will be initially classified as Pre-Kinesiology. To apply for admission into the Kinesiology concentration students must have a minimum GPA of 2.50 in the major and satisfactorily complete the courses listed below.

   Transfer and second-degree students must complete these requirements and successfully complete 12 credits at UNC Greensboro before applying. Application does not guarantee admission.

   Qualified

   The courses listed below require a grade of C- or better.

   BIO 111/BIO 111L

   Qualified

   The courses listed below require a grade of C or better.

   KIN 250 Introduction to Kinesiology
   KIN 291 Clinical Human Anatomy

   Registration Restriction

   Students will not be allowed to enroll in the courses listed below and any course at the 400 level or above without entrance into the KINE major.

   Code        Title                                   Credit Hours
   Required
   KIN 353     Injuries and Illnesses in Physical Activity 14
   KIN 375     Physiology of Sport and Physical Activity
   KIN 376     Biomechanics of Sport and Physical Activity
   KIN 386     Motor Control and Learning

2. Minimum Grade

   To qualify for graduation in the Kinesiology concentration, all majors must achieve a minimum grade of C (2.0) in each required course with a KIN prefix (including activity courses, internships, and other non-core KIN courses) and maintain a minimum GPA of 2.50 in the major.

3. Minimum Semester Hours

   To graduate, all majors must obtain at least 36 credits in courses at the 300 level or above.

4. Re-entry

Students in this concentration who do not graduate within seven years or who leave school and later re-enter are held for the current program requirements at the time of crossing from the seventh to the eighth year, or are held to the current program requirements during the year of re-entry.

5. Appeals

   Appeals of any of these requirements must be filed with the appropriate departmental committee within one academic year.

Electives

Students will need to take elective credits prior to graduation. The number of electives needed varies based on course selection and any transfer credits. At least 120 credit hours are required to graduate. The KINE concentration requires 18 credits of electives with 9 of those credits from KIN prefix courses, and the remaining hours from the approved elective course list. Students will be required to successfully complete at least 3 credits of 400+ level KIN prefix course electives. No ACT course may be used as a KIN elective, KIN 000 courses which transfer to UNC Greensboro will not automatically be counted as KIN electives, but may be counted on an individual basis via appeal.

Disciplinary Honors in Kinesiology

Requirements

- A minimum of 12 credit hours as defined below.
- A grade of at least B in all course work used to satisfy the Honors requirement in Kinesiology
- UNC Greensboro cumulative GPA of 3.30 or better or, for transfer students, cumulative GPA of 3.30 or better from all prior institutions.

* 6 credits of which must be at the 300-level or above.

Recognition

Receive a Certificate of Disciplinary Honors in Kinesiology; have that accomplishment, along with the title of the Senior Honors Project, noted on the official transcript; and be recognized at a banquet held at the end of the spring semester.

Honors Advisor
