KINESIOLOGY, B.S.

The Kinesiology major prepares students for careers in sports medicine, preventive and rehabilitative exercise and fitness. Graduates are able to pursue careers in fitness, personal training, cardiac rehabilitation, exercise physiology and related fields. Additionally, completing this major is a first step toward providing students with the necessary academic and clinical experience for future study in allied health fields. Examples include, but are not limited to, athletic training, physical therapy, occupational therapy, physician’s assistant, podiatry, dentistry, and medicine.

Student Learning Goals

1. Students completing this program will demonstrate a basic knowledge of anatomy.
2. Students completing this program will demonstrate a basic knowledge of biomechanics.
3. Students completing this program will demonstrate a basic knowledge of exercise physiology.
4. Students completing this program will demonstrate a basic knowledge of sociohistorical foundations of Kinesiology.
5. Students completing this program will demonstrate a basic knowledge of human development over the lifespan.
6. Students completing this program will apply the basic scientific theories and principles that serve as a foundation for the allied health and medical professions.
7. Students completing this program will demonstrate a basic knowledge of the structure and function of the human body and the stresses associated with movement, exercise and the demands of various physical activities.
8. Students completing this program will demonstrate a basic knowledge of the prevention, care, and treatment of injuries and illnesses that commonly occur in physical activity.

Admission

To apply for admission into the Kinesiology B.S. students must have a minimum GPA of 2.50 and satisfactorily complete the courses listed below.

Transfer and second-degree students must complete these requirements and successfully complete 12 credits at UNC Greensboro before applying. Application does not guarantee admission.

Completed with a grade of C- or better:

KIN 250 Introduction to Kinesiology
KIN 291 Clinical Human Anatomy

Registration Restriction

Students will not be allowed to enroll in the following courses and any course at the 400 level or above without entrance into the KINE major: KIN 353, KIN 375, KIN 376, KIN 386.

Minimum Grade

To qualify for graduation in the Kinesiology major, all majors must achieve a minimum grade of C (2.0) in each required course with a KIN prefix (including activity courses, internships, and other non-core KIN courses) and maintain a minimum GPA of 2.50 in the major.

Minimum Semester Hours

To graduate, all majors must obtain at least 36 credits in courses at the 300 level or above.

Re-entry

Students in this major who do not graduate within seven years or who leave school and later re-enter are held for the current program requirements at the time of crossing from the seventh to the eighth year, or are held to the current program requirements during the year of re-entry.

Appeals

Appeals of any of these requirements must be filed with the appropriate departmental committee within one academic year.

Overall Requirements

- 120 credit hours, to include at least 36 credits at or above the 300 course level
- All KIN courses must be completed with a grade of C (2.0) or higher.

Any SWK course at or above SWK 215

* Four Activity courses must be completed with a grade of C (2.0) or higher. A maximum of two Activity courses may be taken in the same semester. Activity courses which are sequential—e.g., beginner, intermediate, advanced—may not be taken concurrently. Once a course has been successfully completed, a student may not enroll in a lower level course for the same activity. A maximum of two DCE courses may be substituted for Activity courses provided the DCE courses are officially listed by the University as STU courses (identified as Studio Schedule Type on the Course Schedule).

** A minimum of 3 credits of anatomy and 3 credits of physiology is required. Anatomy/physiology combined courses must be at least 6 credits to count as both anatomy and physiology. Students may take multiple levels of combined anatomy and physiology courses (A&P I and A&P II) in order to achieve the minimum 6 credits.

1 No Activity course may be used as a KIN direct elective, KIN 000 courses which transfer to UNC Greensboro will not automatically be counted as KIN direct electives, but may be counted on an individual basis via appeal.

Electives

Disciplinary Honors in Kinesiology
Requirements
• A minimum of 12 credit hours as defined below.
• A grade of at least B in all course work used to satisfy the Honors requirement in Kinesiology
• UNC Greensboro cumulative GPA of 3.30 or better or, for transfer students, cumulative GPA of 3.30 or better from all prior institutions.

Code Title Credit Hours
HSS 490 Senior Honors Project 3

Select 9 credits of KIN Honors courses * 9

* 6 credits of which must be at the 300-level or above.

Recognition
Receive a Certificate of Disciplinary Honors in Kinesiology; have that accomplishment, along with the title of the Senior Honors Project, noted
on the official transcript; and be recognized at a banquet held at the end of the spring semester.
