KINESIOLOGY, B.S.

The Kinesiology major prepares students for careers in sports medicine, preventive and rehabilitative exercise and fitness. Graduates are able to pursue careers in fitness, personal training, cardiac rehabilitation, exercise physiology and related fields. Additionally, completing this major is a first step toward providing students with the necessary academic and clinical experience for future study in allied health fields. Examples include, but are not limited to, athletic training, physical therapy, occupational therapy, physician’s assistant, podiatry, dentistry, and medicine.

Student Learning Goals

1. Students completing this program will demonstrate a basic knowledge of anatomy.
2. Students completing this program will demonstrate a basic knowledge of biomechanics.
3. Students completing this program will demonstrate a basic knowledge of exercise physiology.
4. Students completing this program will demonstrate a basic knowledge of sociohistorical foundations of Kinesiology.
5. Students completing this program will demonstrate a basic knowledge of human development over the lifespan.
6. Students completing this program will apply the basic scientific theories and principles that serve as a foundation for the allied health and medical professions.
7. Students completing this program will demonstrate a basic knowledge of the structure and function of the human body and the stresses associated with movement, exercise and the demands of various physical activities.
8. Students completing this program will demonstrate a basic knowledge of the prevention, care, and treatment of injuries and illnesses that commonly occur in physical activity.

Admission

To apply for admission into the Kinesiology B.S. students must have a minimum GPA of 2.50 and satisfactorily complete the courses listed below.

Transfer and second-degree students must complete these requirements and successfully complete 12 credits at UNC Greensboro before applying. Application does not guarantee admission.

Minimum Grade

To qualify for graduation in the Kinesiology major, all majors must achieve a minimum grade of C (2.0) in each required course with a KIN prefix (including activity courses, internships, and other non-core KIN courses) and maintain a minimum GPA of 2.50 in the major.

Minimum Semester Hours

To graduate, all majors must obtain at least 36 credits in courses at the 300 level or above.

Re-entry

Students in this major who do not graduate within seven years or who leave school and later re-enter are held for the current program requirements at the time of crossing from the seventh to the eighth year, or are held to the current program requirements during the year of re-entry.

Appeals

Appeals of any of these requirements must be filed with the appropriate departmental committee within one academic year.

Overall Requirements

- 120 credit hours, to include at least 36 credits at or above the 300 course level
- All KIN courses must be completed with a grade of C (2.0) or higher.
