PHYSICAL EDUCATION, TEACHER EDUCATION (K-12), B.S.

The Physical Education and Health Teacher Education major leads to dual licensure for teaching in North Carolina and most other states. The dual licensure program prepares a student to teach physical education and health in grades K–12. Throughout the program there are opportunities for active observation, assisting teachers, peer and small group teaching, and a culminating student teaching experience with public school students, including those with special needs.

A second academic concentration in Healthful Living is required for completion of this major.

Student Learning Goals

Students completing this program will understand physical education and health content, disciplinary concepts, dispositions and tools of inquiry related to how individuals learn and develop physical literacy, movement skills, and lead healthy lifestyles. They will demonstrate effective verbal, nonverbal, and media communication techniques. They will be able to plan and implement a variety of developmentally appropriate instructional strategies, and use both formal and informal assessment to inform instructional practice. A focus will be on becoming a reflective practitioner who collaborates with others and seeks opportunities to grow.

Overall Requirements

- 122 credit hours, to include at least 36 credits at or above the 300 course level
- All KIN courses must be completed with a grade of C (2.0) or higher. No required KIN course may be taken more than twice. Students who receive a grade below C twice in the same KIN prefix course will be withdrawn from the KIN major.
- In addition to the related area requirements listed below, students in this concentration must complete a second academic concentration consisting of 18 credits of course work in Healthful Living.

**Electives**

Students will need to take elective hours prior to graduation. The number of electives needed varies based on course selection and any transfer credits. At least 122 credit hours are required to graduate. Students must complete at least 12 credits of electives with at least 6 credits coming from KIN courses.

**Additional Requirements**

- A minimum GPA of 2.50 is required for entry (application required) into and continued enrollment in the Physical Education and Health Teacher Education (PHHT) Program. Evidence of 20 hours of working with children in a physical activity setting is also required for admittance to the PHHT program. A 3.0 GPA is also required for entry into the UNCG’s Teacher Education program (application required) and for licensure by the State of North Carolina. Passing Praxis Core Academic Skills for Educators scores (fee) are also required for entry into the UNCG’s Teacher Education Program.

- A departmental application process is required to enter the program. Prior to acceptance into the Physical Education and Health Teacher Education Program, students will be classified as pre-Kinesiology majors.

- A background check (fee) will be required for entry into the UNC Greensboro Teacher Education program and/or prior to any practical experience in the school setting.

- Liability Insurance (fee) will be required prior to any practical experience with children on campus or in a school setting.

- Students are required to pay a student teaching special fee prior to their student teaching experience.

- First Aid and CPR (fee) certification is required and must remain current for the entire student teaching experience (Student Teaching and Seminars in Physical Education).

- To qualify for graduation in this major and licensure, all majors must complete a Taskstream Portfolio (fee).

- To qualify for graduation in this major and licensure, all majors must attempt the Praxis II: Health and Physical Education: Content Knowledge test. For additional information about the Praxis II, please see the North Carolina Department of Public Instruction website at [http://www.ncpublicschools.org/licensure/](http://www.ncpublicschools.org/licensure/).

- Licensure application must be submitted through the UNC Greensboro Teacher Education program at the completion of the PHHT program (fee).

- To graduate, all majors must obtain at least 36 credits in courses at the 300 level or above.

- Students in this major who do not graduate within 7 years or who leave school and later reenter are held to the current program requirements at the time of crossing from the seventh to the 8th year, or are held to the current program requirements during the year of reentry.

- Appeals of any of these requirements must be filed with the appropriate departmental committee within one academic year.
