Lloyd International Honors College Petition Policy

Incoming first-year UNCG students who do not meet one of the specified criteria for admission to Lloyd International Honors College may petition the dean for admission. When the candidate makes a persuasive case that he or she is fully capable of succeeding in International Honors, the dean may admit the student. A student admitted through the petition process will be expected to meet all of the requirements for maintaining good standing in the International Honors Program, and is subject to the same rules as other Honors College students, including the conditions requiring suspension or removal from the college.

Programs

Lloyd International Honors College offers three enhanced academic programs—the International Honors Program and the Disciplinary Honors Program. Students who complete both the International Honors Program and the Disciplinary Honors Program are recognized for their high achievement and awarded Full University Honors. Students interested in pursuing these programs must consult with an International Honors College academic advisor before enrolling in Honors courses.

International Honors

The International Honors Program is designed to complement and enrich the university’s General Education Program for students in any major. Students who complete the International Honors Program replace regular general-education courses with Honors general-education courses, reach the intermediate level of language competency in a second language, and complete a semester of study abroad, thus providing themselves with a solid liberal education with international and global perspectives, that is a valuable foundation for study in any major and for life after graduation.

Disciplinary Honors

The Disciplinary Honors Program allows students in all majors to do Honors work in their majors or in upper-division interdisciplinary studies. Through Disciplinary Honors, students have the opportunity to study topics in depth and to do research under the supervision of a faculty member, thus giving themselves a competitive advantage when applying to graduate school or beginning a career.

Community College Transfers

- Durham Technical Community College (NC)
- Haywood Community College (NC)
- Robeson Community College (NC)
- Southwestern Community College (NC)

Students who graduate from the four listed community colleges with a college-transferrable degree [e.g., Associates in Arts (A.A.) or Associates in Science (A.S.)] may earn the Designation of Honors Graduate from Lloyd International Honors College at UNCG. The student must transfer in at least 12 hours of Honors course work, be accepted into Lloyd International Honors College through the UNCG admissions process, and complete the following:

- Proficiency in a foreign language (at the 204-level or higher),
- An approved international experience,
- Disciplinary Honors in the major (with grades of B or better in all Honors work), and
• Achievement of a 3.30 GPA or higher at the time of graduation from UNCG

To apply for this program, students planning to transfer from the four listed community colleges must submit a Transfer Application to UNCG through the UNCG Undergraduate Admissions Office and indicate interest in applying to Lloyd International Honors College. Students will then receive an invitation to apply to LIHC through the "Current UNCG Student Application."

Students entering LIHC under this memorandum of understanding must apply by April 1 in order to be eligible to begin disciplinary honors in the following fall semester, or by November 1 in order to do so in the following spring semester. Students entering under this memorandum must maintain good standing and fulfill other requirements that the college applies to all Honors students.

Courses
Honors courses are taught by faculty members who are among the best at UNCG, who are deeply engaged with their disciplines, and who are dedicated to helping students achieve their greatest potential. Honors courses are typically small (15–25 students) and foster discussion, collaboration, and mutual discovery among students and faculty. Typically, Honors courses fulfill a variety of university and departmental requirements.

There are several types of Honors courses:

• Honors Seminars in which students explore interdisciplinary topics in greater breadth and/or depth than in typical courses while fulfilling General Education Core requirements;
• Honors sections of regular UNCG courses that allow students to explore other topics or continue to do Honors work in their major;
• Honors Tutorials and Honors Independent Study through which students either individually or in small groups work with a faculty member on a topic of mutual interest;
• The Senior Honors Project in which a student, under the guidance of a professor, produces a research project.
• Disciplinary Honors Contract courses that allow students to enhance a regular undergraduate course and receive Honors credit for that course. Note: Honors Contract courses can be used only to fulfill Disciplinary Honors Program requirements; they cannot be used to fulfill International Honors Program requirements.

The variety of Honors courses, and particularly the chance to customize one’s curriculum through tutorials and independent studies, means that students have considerable control over their own education. Moreover, many of the advanced Honors courses, such as the Senior Honors Project, allow students to do original and sophisticated work, and are an excellent preparation for graduate school, professional training, and other post-graduation endeavors.

Honors Academic Advising
Lloyd International Honors College staff offers advanced group and individual advising to help students discover the best ways to take advantage of Honors at UNCG, and to make sure that students have the needed support and encouragement along the way to completing their degrees. A variety of informal information sessions and colloquia are also provided for students interested in talking about particular topics of interest such as study abroad, internships, or graduate school.

Extra-Curricular Activities and Student Involvement
Lloyd International Honors College sponsors a number of extracurricular events. Among these events are orientations for both International Honors and Disciplinary Honors, the annual Honors Symposium, the Artist-in-Residence program, Food for Thought, Monday Play!, CelebriTea, Bon Voyage, Bon Retour, the Performing Life series, lectures and special performances, field trips, and community service projects. Honors students can participate in the Honors Ambassadors program, the OWLS Peer Mentoring program, the Gray Hall Fellows program, and the Student Reflection Leaders program.

Honors Abroad Experiences
In collaboration with UNCG’s Office of International Programs, Lloyd International Honors College from time to time offers Honors Abroad Experiences for Honors students interested in an honors-enhanced study abroad experience at select locations. To be considered, students must:

1. submit an Honors Abroad application to Lloyd International Honors College and
2. be accepted for study abroad at an appropriate location by the International Programs Center.

Accepted students are given an all-expenses paid (except for food) week, or more, at a foreign location with a UNCG faculty member.

Students accepted into an Honors Abroad Experience enroll in HSS 310 Honors Abroad, a three-credit Honors course, in addition to whatever courses are taken at the host institution. HSS 310 requires that students meet with a UNCG faculty member before traveling abroad to discuss readings about their trip and the character of the country they are about to visit. Students and the UNCG faculty member then spend approximately a week exploring and taking in cultural activities abroad associated with a particular academic topic. During their semester, students travel and engage in a variety of writing assignments that allow them to reflect on their experience. Finally, students gather for a colloquium upon returning to UNCG the following semester.

Honors Awards
Lloyd International Honors College administers awards that recognize high achievement. At the Honors Convocation every spring, the college's Honors Council bestows the Student Excellence Award, the university’s highest academic undergraduate honor, on outstanding seniors. The college also hosts an annual banquet to honor those students who have successfully completed one of Lloyd International Honors College’s programs.

Honors Housing
North and South Spencer Honors Residence Halls and Gray Honors Residence Hall are housing options for Honors students only and are required for incoming freshmen living on campus. Incoming Honors freshmen may apply to live in North and South Spencer Residence Halls upon their acceptance into the International Honors program. Gray Honors Residence Hall serves sophomore through senior Honors students who are interested in Undergraduate Research and/or community engagement. South Spencer Hall is the Honors Collaborative, in which incoming and current Honors students as well as non-Honors students may reside. Current Honors students who desire to live in the Honors Residence Halls must be in good standing (have a 3.30 UNCG GPA at time of application) and are required to remain in good standing.
and to meet other requirements that can be found on the Honors College website in order to continue living in the hall.
