

# HEALTH MANAGEMENT, M.S.N./M.B.A.

The combined M.S.N./M.B.A. is offered jointly by the School of Nursing and the Bryan School of Business and Economics and requires a minimum of 62 credit hours.

Please refer to the enrollment requirements for all graduate nursing students.

For information regarding deadlines and requirements for admission, please see the Guide to Graduate Admissions (<https://grs.uncg.edu/prospective/guide>).

The Associate Dean for Academic Programs reviews the credentials of each applicant in collaboration with faculty from each specialty area. Exceptions to the requirements can be made on the recommendation of the faculty. The Associate Dean for Academic Programs forwards the admission recommendation to the Vice Provost for Graduate Education who makes the final decision.

Applicants must meet the following requirements:

- Current unrestricted licensure as a registered nurse in one of the 50 states or validated credentials by CGFNS for international students. Residents of North Carolina must hold unrestricted North Carolina licensure as a registered nurse.
- Baccalaureate degree in nursing from a program accredited by a nationally recognized accrediting agency.
- Minimum of one year full-time clinical nursing experience.
- Satisfactory MAT/GRE score.
- An inferential statistics course and health assessment course at the undergraduate level are required prerequisite courses.
- A minimum of 3.2 GPA is required from the undergraduate nursing program.
- A resume.
- A personal statement of 400 words or less that comments on applicant's nursing background and discusses future goals.
- Three professional nursing references (mix of educational and professional sources).
- An interview is required for selected applicants.
- Nonresidential international students are required to participate in a telephone interview.

## Degree Program Requirements

**Required:** 62 credit hours

### Computer Literacy

Upon entry to the M.S.N./M.B.A. in Health Management program, students should have a working knowledge of word processing and spreadsheet applications in a PC environment. Familiarity with Excel is required.

### Statistics

ECO 250 Economic and Business Statistics I of pre-M.B.A. workshop in statistics is recommended to meet the program prerequisite for statistics.
