ART, B.A.

The Art History concentration is for those students wishing to pursue careers either in art scholarship or the museum and gallery profession. Those thinking primarily of Art History are encouraged to study the foreign languages needed for scholarship, particularly French and German.

The Studio Art concentration combines a liberal arts education grounded in the humanities with studio practice. A B.A. degree is ideal for students interested in a range of post-graduate fields and art-related professional careers. All studio students entering the art department begin in the B.A. Studio Art concentration.
