

ART EDUCATION (K-12), B.F.A.

The Art Education (K-12) B.F.A. program offers academic breadth and concentration in a studio discipline. Upon successful completion of the program, students in the Art Education program are recommended for Standard Professional I Teacher Licensure.

The Art Education program's goal is to contribute to preparing K-12 art teachers for the future, fully aware of the needs of a global and diverse society, highly knowledgeable in their field, committed to diversity and multiculturalism, open to new ideas and adaptable to change. Upon completion of the program, students will have developed advanced art studio skills, content knowledge of art history, education, art education theory and pedagogy from historical and contemporary perspectives, technology skills, and have had quality preparation in general education. In addition, the program aims to help develop in students and children appropriate dispositions to include respect and acceptance of diversity in a creative, productive, and peaceful society.

B.F.A. Portfolio Review

Admittance to the B.F.A. program in Art Education, New Media and Design, Painting, Photography, Printmaking and Drawing, or Sculpture and Ceramics is contingent upon successful review of a portfolio by a rotating committee of School of Art faculty.

Non-transfer students enrolled in the B.A. Studio Art degree program may seek entrance into the B.F.A. Studio Art degree program in the third semester of the Studio Foundation Program course sequence, and must apply before completing a total of 28 credit hours of ART, ARH, or ARE courses. Students who fail the portfolio review may re-apply once, and must do so in the following semester. Transfer students must complete the UNC Greensboro Studio Foundation Program and must apply as early as they are eligible to do so.

Students who apply to the B.F.A. program as second-degree students will be given the opportunity to appeal the initial portfolio review at the start of their application process.

Overall Requirements

- 120 credit hours, to include at least 36 credits at or above the 300 course level
- Core studio courses for major concentrations may be closed to students who are not enrolled in a degree program full-time.
