

DANCE, M.F.A.

The M.F.A. in Dance, Choreography Concentration is a three-year in-residence program that requires 60 credit hours to complete, culminating in a dance choreography project designed and carried out by the student with the support of faculty. The program is designed to prepare students for professional dance careers and teaching dance in higher education. Students develop knowledge in choreographic practice, dance scholarship, research methods, and somatic practices. The M.F.A. is a terminal degree commonly held by studio faculty at the university level.

For information regarding deadlines and requirements for admission, please see the Guide to Graduate Admissions (<https://grs.uncg.edu/prospective/guide/>).

Program Progression and Reviews

The Graduate Faculty assesses student progress in their degree program in the Spring semester of their first year.

After the removal of all deficiencies, three semesters of choreography practice (DCE 651 Choreographic Practice), and at the completion of at least 30 credits, students apply for M.F.A. candidacy. Admission is based on a variety of criteria, including a minimum overall 3.0 GPA. Students submit a portfolio of work to the Graduate Program Director, usually by December 1 of their third semester, for review by the Graduate Committee. See the School of Dance M.F.A. Handbook for portfolio contents and process.

When the student has been in residence for at least two semesters and passed candidacy, they assemble a committee of at least three members of the graduate faculty to review their culminating concert or project proposal. Proposal guidelines are included in the School of Dance M.F.A. Handbook. Once the committee approves the proposal, the student may register for DCE 697 Masters Production Project or DCE 698 Field Project in Dance and work towards culmination of study.
