Minor Requirement for Students Pursuing a B.A. Degree in the College of Visual and Performing Arts

The College of Visual and Performing Arts believes in and promotes the study of the arts in the context of a broad, liberal arts curriculum. In order to gain a larger intellectual perspective, students are encouraged to pursue their major field of study within an open but disciplined plan of study.
To aid in this process, the CVPA minor requirement builds on the university’s General Education requirements. In addition to the course requirements stated in the university’s General Education Core (GEC), students pursuing a B.A. degree in the College of Visual and Performing Arts must also complete all requirements in a minor area of study that is different from their declared major field. Students may select minors in or outside of the College of Visual and Performing Arts, and students are encouraged to seek advice from CVPA advisors when making this choice.

Any B.A. student who is pursuing a double major or seeking K–12 licensure in conjunction with his or her major area is exempt from this requirement.
